This is a digital representation of the original GIA Report. To verify the information herein, please refer to reportcheck.gia.edu. This Report is not a guarantee, valuation or appraisal and contains only the characteristics of the demand described herein after it has been graded, tested, examined and analyzed by the Laboratory providing this Report ("GIA") and/or has been inscribed using the techniques and equipment used by GIA at the time of the examination and/or inscription. Incriptions reported in the document are not a guarantee, validation, or warranty of a diamond's quality, country of origin or source; or that the demand will be identifiable by the inscription in the future (since inscription can be removed). GIA makes no representation concerning any trademark, word, or symbol which is inscribed by GIA or which is identified in the Report. The recipient of this Report may wish to consult a credentialed jeweler or gemologist about the information contained herein.
